PEST AND NOXIOUS WEEDS:

- Feral chook eradication ceased for the festive season on 30 November.
- A media release on 18 January advised that 1,075 chooks had been removed from public reserves in 2018. The survey on preferred eradication methods will conclude on 15 February, 2019.
- The vacant position of Pest and Noxious Weeds Officer has been advertised. Applications close 28 January, 2019.

GROUND AND OPEN SPACES:

Resources have been redirected to remove the graffiti glued to the environment, both built and natural, on 16–17 January, 2019. A record of costs is being maintained and will be invoiced to the organisers of the vandalism if found proven to be their posters.
