

ENERGY ECONOMIST CONSULTANT
REQUEST FOR QUOTE 13/19

The Norfolk Island Regional Council is seeking **quotes** from an Energy Economist to determine and document the financial impacts of engineering solutions designed to increase the renewable energy contribution to the Norfolk Island electricity supply.

The project will include an analysis of the following key areas: Solar PV yield of the proposed centralised solar PV system, optimal size of BESS system's capacity, energy configuration, and potential operating modes, operational profile of diesel plant within the new hybrid system, and quantification of expected diesel fuel cost savings, analysis of tariff structure, and the impact of third-party funding possibilities.

Information relating to quote guidelines and scope of work can be found on the Norfolk Island Regional Council website www.norfolkisland.gov.nf/your-council/tenders-and-eoi or either from Council's tendering portal at www.tenderlink.com/norfolk/

All enquiries relating to the quote documentation must be submitted via the online FORUM at www.tenderlink.com/norfolk/ via the quote notice. Requests for confidential documents referred to in the quote documents should be directed to nominated contact person

Please note the following when responding:

- Quotes to be marked:** Norfolk Island Energy Economist Consultant RFQ 13/19
- Closing date:** Monday 29 July 2019 at 11:00am AEST
- Submissions:** Quotes can be placed in:
1. the Tenders Box in the Registry Office, Council Offices, Kingston, or
