29.12.2021	Governors	10:00am – 10:10am

### *Provision of services to people in self-isolation*

Currently there are 87 close contacts of the two positive cases in self-isolation at their homes on the island. It is important that organisations that provide services to residences on the island do not inadvertently come into contact with those in self-isolation. To ensure that this does not happen it is recommended that tradesmen and others providing services on the island contact the Incident Controller on +6723 22222 to check that the property does not have someone undergoing self-isolation before visiting the premises.

For any questions about the COVID-19 response on Norfolk Island, please visit the Norfolk Island Regional Council website: <http://www.norfolkisland.gov.nf/covid-19-advice-norfolk-island> in the first instance or contact Sergeant Mark Watson, IMT Incident Controller at IO-Norfolk-Island@afp.gov.au or +6723 22222. Alternatively, could you contact the Welfare Co-ordinator on 52777.
