Liquor Bond Discount Policy

The three types of discounts offered by the Liquor Bond are:

1. Travellers Discount of Purchases of Spirits

Upon the production of a valid air ticket, a traveller over the age of 18 years is entitled to a one-off purchase of a maximum of three (3) litres of spirits & liqueurs (excluding local liqueurs) at a discount of 30% of the retail price.

The traveller takes the purchased stock at the time of the purchase.

This policy is to encourage travellers to purchase on island rather than at their destination duty free.

2. Quantity Discount - Purchases over \$1,000

A discount of 7% of the retail price is given on a single purchase over \$1,000 of any products (excluding soft drinks & local liqueurs) from the Liquor Bond.

3. Bulk Importation of Wine

A discount (by way of a mark-up of only 20%) is offered on the import of wine with an invoice value in excess of five thousand dollars (\$5,000) for a single shipment.

Conditions are:-

1. The invoice cost from a single supplier must be in excess of \$5,000.
2. The purchase must have pre-approval of the Liquor Bond Manager, as the Liquor Bond is the sole importer of liquor into Norfolk Island.
3. The purchaser must source the supplier and product and place the order with the Liquor Bond Manager. The purchaser accepts the risk for the freighting of the wine.
4. A deposit of 50% of the supplier invoice cost is required when the order is placed.
5. The shipment must be collected from the Liquor Bond within ten days of being advised of the arrival of the shipment.
6. Payment in full must be made prior to the release of the shipment from the Liquor Bond.
