

News Columns / Radio Announcements

Provision in the local media and radio will be available to the Mayor for announcements of decisions made by Council and matters related to the Community Strategic Plan, policy direction and any other matters the Mayor wishes to announce that are not of an operational or political nature.

Provision in the local media of a regular news column is to be written by the General Manager and used to advise the community of the progress of activities and works, operational and procedural matters, new laws or regulations, reminders and local government items of specific interest.

Public Comment

Public comment can include public speaking engagements (including comments on radio and television) expressing views in letters to the press or in books or notices where it is reasonably foreseeable that publication or circulation will enter the public domain.

Staff

While it is recognised that Council employees, as members of the community, have the right to have an opinion – staff cannot make public comment or enter into public debate on political and social issues related to council business in the media or at public forums. The General Manager and other senior management staff need to be sensitive to the fact that because of their responsibility and status, there could tend to be the implication that the public comment is in some way an official comment of the Council. Reference is made to Council's Code of Conduct (section 3.1) below.

Councillors

Councillors are not to comment to the print or electronic media on Council's behalf unless authorised to do so by the Mayor. Council acknowledges that as elected representatives, the media will, from time to time, call on Councillors for personal comment. In this instance, a Councillor wishing to make statements to the media must inform the journalist:

- (1) That comments are made as an individual;
- (2) That comments made do not necessarily represent the views or beliefs of Council or other Councillors; and
- (3) That the matter has or has not been determined by Council.

Reference is made to Council's Code of Conduct (section 3.1) below.
