### NORFOLK ISLAND NATURAL RESOURCE MANAGEMENT PLAN Next Community Meeting set for 20<sup>th</sup> March 2007

After our last successful meeting in October 2006, ongoing work has produced a set of natural resource management priorities based on what the Norfolk community sees as important for the future of the Island. To make sure we are heading in the right direction and to begin to develop a list of specific actions related to these priorities, we again require your input.

Brad Snedden from Parsons Brinkerhoff will be on the Island between the 19<sup>th</sup> March 2007 and the 23<sup>rd</sup> March 2007 to collect your views on the development of the plan as well as present the list of priority issues developed so far at a public meeting. Jodie Brown will be assisting throughout the week.

**THIS PUBLIC MEETING WILL BE HELD ON TUESDAY 20<sup>th</sup> MARCH 2007  
SOUTH PACIFIC HOTEL ADMIRAL'S ROOM  
(6-8 PM)**

**Light Refreshments will be provided**

The consultants will also be available during the week at various times for further discussions on all natural resource related issues. If you would like to meet with them or require more information, please call Jodie Brown to arrange a suitable time on 22 225 or e-mail [planning@norfolk.nf](mailto:planning@norfolk.nf)
