Chief Minister Andre Nobbs has invited all members of the Norfolk Island community to meet informally with representatives of the Norfolk Island Government and the Legislative Assembly this Saturday at Rawson Hall.

“During the life of this Assembly, we plan to offer a range of ways for members of the public to raise issues or ask questions of Government and Assembly members”, Mr Nobbs said. “This week has seen the first full sitting of the 12<sup>th</sup> Assembly, so we will be happy to elaborate on any matter raised there, or indeed on any issue relating to the wellbeing, economy and good governance of Norfolk Island”.

Mr Nobbs said that at least three Ministers will be in attendance at Rawson Hall from 1.00 p.m. to 3.00 p.m. this Saturday, 21<sup>st</sup> April. Representatives of the Tourism Board will also be present to discuss any matter concerning tourism. Anyone not wishing to raise a question or issue publicly will be given the opportunity of a private meeting or to lodge a question in writing without necessarily having to disclose their name. Light refreshments will be served.
