P&O Cruises to celebrate 1932 cruise to Norfolk Island

This December marks the 75th anniversary of the first P&O cruise from Australia - a voyage from Sydney to Norfolk Island and back on the *Strathaird* in 1932.

P&O are planning some big events and promotions to surround the celebration of this anniversary. Norfolk Tourism is assisting P&O Cruises in the celebrations and publicity.

Norfolk Tourism would like to hear from anyone who might have been on the first cruise or was associated in any way with the visit of the *Strathaird* in 1932. It would also be interested in any memorabilia, photographs or documents relating to the first P&O cruise from Australia.

Anyone able to assist is asked to contact Sue Buffett at Norfolk Tourism on 22147 or by email at sbuffett@nigtb.gov.nf
