THE GOVERNMENT OF NORFOLK ISLAND

MEDIA RELEASE

EXPRESSIONS OF INTEREST

Drug and Alcohol Working Party

Expressions of interest are sought from members of the community who would like to be a member of the Drug and Alcohol Working Party (DAA).

DAA was established in 2002 to advise and make recommendations to the relevant Minister for the purpose of dealing with social issues and in particular substance abuse. DAA was one of the key stakeholders in the establishment of counselling services in Norfolk Island.

The Minister for Environment, Education and Social Welfare, Hon Vicky Jack would like to hear from any person who would be interested in being a member of DAA.

“It is important that the views of as many sectors of the community are obtained so that there is a balanced approach to the issues that DAA deal with,” she said. In particular the Minister would like to receive expressions of interest from the youth of Norfolk Island and from those who work with our youth either professionally or in a voluntary capacity.

Any person who would like further information can contact either the Minister on telephone 22003 or the Community Services Manager, Allen Bataille on telephone 23691
