

THE GOVERNMENT OF NORFOLK ISLAND

MEDIA RELEASE

Norfolk Air Advisory Board

Minister for Finance Neville Christian has called for expressions of interest from members of the community who would be interested in serving as members of an Advisory Board for the Norfolk Island Government airline Norfolk Air.

“The Government has decided to move toward establishing Norfolk Air as a statutory authority”, Mr Christian said. “We are strongly committed to continuing the growth of tourism, and Norfolk Air is an integral part in ensuring frequent flights and providing high quality services to our visitors”.

Mr Christian said that the Norfolk Air Advisory Board would play a major role in setting the objectives and policies of the airline. He encouraged members of the public with skills or experience in airline operation or related areas to volunteer their services for membership of the board.

Anyone seeking to express interest in being part of the Norfolk Air Advisory Board or wanting further information should contact the Secretary to Government, Peter Maywald, on 22003 or by email at pmaywald@assembly.gov.nf by close of business on Friday 29th June.
