

THE GOVERNMENT OF NORFOLK ISLAND

MEDIA RELEASE

Refunds available for trunking phones

Minister for Finance Neville Christian said today that subscribers who have handed in a Tait Trunking radio and received an Alcatel mobile phone may be eligible for a refund from Norfolk Telecom. Users can now return the Alcatel handset and charger and receive a credit of \$250.00 on their mobile phone account.

“Subscribers who take advantage of this generous offer by Norfolk Telecom can then transfer their SIM card to a mobile phone of their own choosing, purchased at their own cost”, Mr Christian said.

The refund offer is open until 31st July 2007. Anyone wishing to take advantage of the offer or seeking further information should call at Norfolk Telecom, New Cascade Road, during business hours, or contact General Manager Kin Davies on 22244
