

NORFOLK AIR - MEDIA RELEASE

Norfolk Island to Melbourne – Be the first!

Norfolk Air has released a very special fare for a very special occasion, the first flight of our new service from Norfolk to Melbourne on October 19th! You could be on this inaugural flight for just \$225.00 one way, inclusive of taxes! Why not take the chance to see Melbourne at its spring best at this great price?

The flight will depart from Norfolk Island on Friday 19th October at 8:00am and is due to arrive in Melbourne at 11:50am.

To purchase the above great special, residents will only be required to buy a normal one-way resident fare for their return travel to Norfolk Island. To make this offer more attractive we are leaving the options wide open as to when and from which port you travel. You may choose your one-way return from Newcastle, Brisbane, Sydney or Melbourne and there are no time limits to the length of your stay!

To book your seat and be part of this inaugural flight just contact your local travel agents Travelworld or Burnt Pine Travel in Norfolk Island. While your talking to your preferred agent ask about the “Bring Your Rellies or Friends Over” specials from Sydney in September. That’s another great special that really is too good to miss!

See your agent soon or further information is available from Norfolk Air on 23787 or by email to infonorfolkair@admin.gov.nf
