ELECTRICITY SUPPLY ACT 1985 NOTICE TO CONSUMERS

PLEASE NOTE THAT under subsection 9(1) of the *Electricity Supply Act 1985*, authorised officers will be entering lands Island wide in Norfolk Island on 1, 2, 3 and 4 of February 2005 between the hours of 8.00 am and 5.00 pm for the purpose of reading electricity meters.

All dogs on lands in the above mentioned times should be securely tethered or housed to allow the authorised officers to carry out their duty in safety.

Failure to securely tether or house a dog will result in an electricity meter not being read.

If an electricity meter on any land is not read as a result of a dog not being securely tethered or house, the electricity supply to that land may be assessed.

Persistent failure to comply with the request to restrain dogs at all times when the meters are to be read, may cause a disconnection of the service.

Dated 24 January 2005.
