#### **BILLS PASSED IN THE LEGISLATIVE ASSEMBLY**

At the sitting of the House on Wednesday 17 September 2014 the following Bills were passed –

#### **IMMIGRATION (AMENDMENT NO.3) BILL 2014**

#### **IMEGRIESHAN (CHIENJEN 3) BIL 2014**

The Bill seeks to amend the *Immigration Act 1980* to provide a transitional provision to modify the operation of section 33A that would otherwise preclude a grant of residency to certain persons who are not entitled to reside permanently in Australia. The transitional provision will expire 7 years and 6 months after commencement.

This Bill was presented and passed through all stages.

#### **REGISTRATION OF BIRTHS, DEATHS AND MARRIAGES (AMENDMENT) BILL 2014**

#### **REJISTRIESHAN 'BERTH, DETH EN MAERIJ (CHIENJEN) BIL 2014**

The amendments proposed by this Bill originated as part of a draft model law developed by State and Territory registrars of births, deaths and marriages and adopted, with local amendments, in all Australian jurisdictions except Norfolk Island (the last was Queensland in 2003).

A recent High Court decision (*NSW Registrar of Births, Deaths and Marriages v Norrie*) resulted in a registrar being required to accept and note the reassignment of a person's gender to one of "non-specific" rather than of male or female. The court said that if the applicant for the change establishes that the applicant has undergone a sex affirmation procedure and that procedure has not resolved the ambiguity of the applicant's sex, the applicant should be permitted to apply for their sex to be registered as "non-specific" and the High Court commented that the Act provides the "Registrar with the role of establishing and maintaining the registers by recording information provided by members of the community" and does not require any determination other than that the Act has been complied with. This Bill seeks also to give effect to that principle in Norfolk Island and in doing so to follow and clarify the model law.

The existing principal Act is unusual in that it has no regulation-making power and contains various forms and similar provisions such as those for fees, in the body of the Act. This means that it is time-consuming to make changes from time to time that may be considered necessary or desirable. The Bill therefore removes all of the references to matters that are thought to be best provided for by regulation and inserts a regulation-making power. It is anticipated that if the Bill is passed and assent given, new Regulations will be made to give effect to the new provisions of the Bill and to bring the forms and fees taken from the Act back into force by way of regulation.

(continued over page)

**PUBLIC SERVICE BILL 2014**  
**PABLIK SERWES BIL 2014**

This Bill repeals the *Public Sector Management Act 2000*. It also replaces the Public Service Bill 2013 which was the subject of discussion with the Commonwealth Minister resulting in a direction to the Administrator to withhold assent.

The purpose of this Bill is to create a more contemporary Act that will continue to meet the needs of the public service and provide flexibility, simplicity and certainty of responsibility and accountability.

Broadly, the Bill —

- Generally simplifies and removes some process currently contained in the old Act, emphasises the application of the principles underpinning the Act as the basis for administrative action, administration of the public service, and conduct of its employees.
- Emphasises employee conduct and performance and the responsibilities of the CEO in delivering high quality services.
- Changes the appeal mechanisms in the Act through the abolition of the Public Service Board and the appointment of a Commissioner to hear appeals and who will be a person of some independence and stature.

**PROVIDENT ACCOUNT (AMENDMENT) ACT 2014**  
**PROEVEDENT AKAUNT (CHIENJEN) BIL 2014**

This Bill is intended to make provision for the audit of the accounts of the Provident Account following changes to the audit responsibilities of the Australian National Audit Office (ANAO) and the excessive costs that would be imposed upon members of the Provident Account were the ANAO to be engaged to perform the audit.

As it is important that the accounts be audited, the Bill seeks to repeal the old provisions and substitute a detailed section setting out the requirement for audit and the payment of the fees of the audit.

Copies of the Bill, free of charge, may be obtained from Mrs Jan Keeping, Legal Services, Norfolk Island Administration, Kingston. These Bills **may** also be accessed at the following link - <http://www.info.gov.nf/draftbills/>
