REQUEST FOR TENDER NO. 71/15
LOCAL GOVERNMENT ENTERPRISE MANAGEMENT SYSTEMS
TENDERLINK REF: REGPRO - 699767 (NSW)

Regional Procurement, on behalf of the Administration of Norfolk Island, is calling tenders from interested and capable parties to replace existing Local Government Enterprise Management Systems that are duplicative, on old technology platforms, costly to maintain and enhance, and architecturally inconsistent with a new core platform. The new system environment must meet the business needs and be:

- More cost effective;
- Able to be easily enhanced as changes occur; and
- Low risk in facilitating improved operating efficiencies through automation.

As scoped, the Administration's requirements demand a high level of commitment from the Respondent to undertake all steps necessary to ensure that the Administration's constituents are provided with the best possible solutions, with greatest ease of use, providing a high-level of flexibility, at the best possible price, at the right point in time.

Request for Tender

The Administration invites Respondents to:

- Demonstrate their ability, and recommend optimal implementation sequencing;
- To provide software and services for the following core business functions:
 - (1) Financial Management including integrated Cash Receipting,
 - (2) Asset & Services Management,
 - (3) Property & Rating Management,
 - (4) Planning,
 - (5) Regulatory Management,
 - (6) Customer Relationship Management, and
 - (7) HR & Payroll Management.
- In addition, transitioning to the Norfolk Island Regional Council operating model on 1 July 2016 provides the Administration with a unique opportunity to consider the early or concurrent adoption of the following function which may otherwise occur later in a typical implementation cycle:
 - (8) Electronic Records and Content Management.

The Administration advises that up to four (4) shortlisted tenderers will be required to make presentations to the Tender Evaluation Group on Norfolk Island between 7 - 11 December 2015. All costs associated with travel to and from Norfolk Island to undertake such required presentations shall be borne by the nominated shortlisted tenderers.

Tenders are to be submitted via the electronic tender box applicable to this RFT notice.

Tenders close 4:00pm Wednesday 18 November 2015 AEDT.

(continued over page)

LATE TENDERS WILL NOT BE ABLE TO BE UPLOADED VIA THE ELECTRONIC TENDER BOX PROCESS AND AS SUCH CANNOT BE CONSIDERED. TENDERERS ARE REMINDED THAT IT IS THEIR RESPONSIBILITY TO ENSURE ALL REQUIRED INFORMATION IS UPLOADED VIA THE ELECTRONIC TENDER BOX PRIOR TO THE NOMINATED CLOSING DATE AND TIME.

All enquiries are to be lodged via the TenderLink Forum applicable to this RFT.

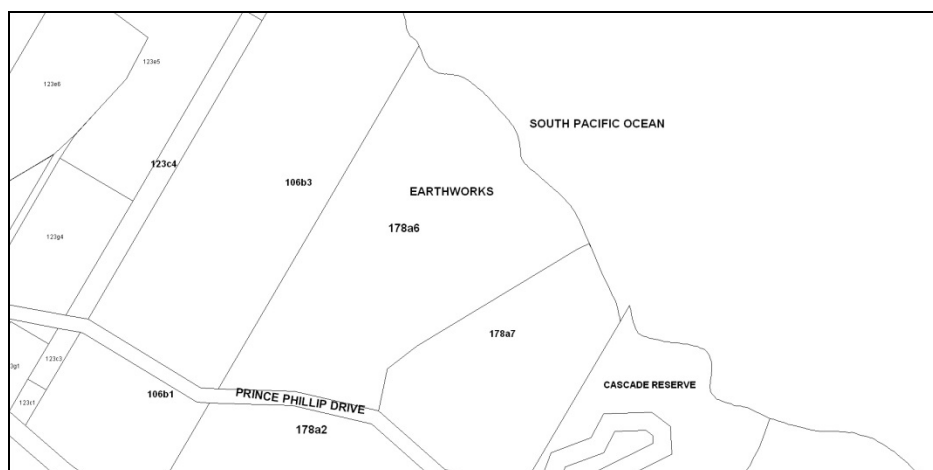

Tender documents may be downloaded for a non-refundable cost of \$50.00 (GST inclusive).

CUSTOMS AND IMMIGRATION SERVICES
CHANGE TO WORKING ARRANGEMENTS

The public are advised that there have been further changes to the working arrangements for the Customs operation of the Customs and Immigration Services.

On Mondays, Tuesdays and Fridays there may be times during the day when it may be necessary to close the office due to the available staff being required to service aircraft and ships. Subject to aircraft arriving on schedule the approximate time for office closure on Monday and Friday is from 10.45 am and Tuesday from 12.00 midday until passenger and freight processing has been completed. The office will reopen if there is time when processing formalities have been completed. Closure of the office on days not affected by aircraft and ships attendance will be 4.00 pm excepting Fridays when the office will remain open until 5.00 pm where possible. This later closing is to allow consignees with air freight that arrived on the Friday flight to complete any Customs formalities and collect the release slip for the air freight from the Customs Office.

The office will be closed on weekends until further notice. On weekends Customs Officers will attend aircraft for passenger and air freight processing. Perishable goods and any consignment needed for an emergency situation that arrives on the weekend will be processed for collection on the day of arrival. Other air freight that arrives on the weekend will be ready for completion of Customs formalities on the following Monday.

Every endeavour will be made to keep any inconvenience to a minimum. The Duty Officer's mobile number for emergency situations is 51161.
