

EXPLANATORY MEMORANDUM

WASTE MANAGEMENT (AMENDMENT) REGULATIONS 2012

The proposed *Waste Management (Amendment) Regulations 2012* seek to impose a levy on equine and bovine animals imported in to Norfolk Island by sea or air based on each container carrying such animal or animals. The importation of containers with other animals which are not equine or bovine animals will remain at the different level. The purpose of the levy is to cover the waste management processing of the larger containers required for the importation of horses and cattle.
