### PUBLIC MEETING

#### NORFOLK ISLAND COMMUNITY STRATEGIC PLAN 2016-2026

At the Ordinary Council Meeting on 20 July 2016 Council resolved to facilitate a public meeting to explain the objectives of the Draft Norfolk Island Community Strategic Plan 2016-2026.

This public meeting will be held at **Rawson Hall on Wednesday, 10 August 2016 at 5:30pm.**

'I have worked with the NSW Integrated Planning and Reporting Framework since its inception in 2009. It is a framework that is highly effective and I look forward to presenting the objectives of the Community Strategic Plan and explaining how important the plan is, and how it sits as the overarching document at the top of the Integrated Planning and Reporting Framework. There will be an opportunity for those present to raise questions at the end of the presentation. I am pleased that the public meeting will also allow me an opportunity to meet with more Norfolk Island community members,' Ms Lotta Jackson said.

'I thank Councillor McCoy for instigating this important public meeting,' Mayor Adams said, 'I would also like to remind the community that the draft Norfolk Island Community Strategic Plan 2016-2026 can be viewed at [www.norfolkisland.gov.nf](http://www.norfolkisland.gov.nf) under the "Public Exhibition Documents" link.
