MEDIA RELEASE

RATES NOTICES

Rates notices for this financial year were issued by the Norfolk Island Regional Council at the end of this week.

Properties which are exempt from rates, such as those listed as KAHVA and Historical sites, will not receive an account, but will receive a letter outlining their property details and the fact that they have been classified as exempt.

Rates notices are subject to a pensioner rebate. To enquire if you are eligible for this rebate contact the Customer Care Team, or download a form at www.norfolkisland.gov.nf.

If you are having difficulties paying your rates, you may be eligible for a financial hardship (rate relief) application, including payment arrangements. A copy of this form can be downloaded from www.norfolkisland.gov.nf. Payment arrangement enquiries can be made to the Finance Team on +6723 22001.

For the information of the community, the back page of the rates notice is attached to this media release and provides information on how to pay your rates and how to make applications for rebates and special considerations.

The community will recall that Council approved the Rating Model on 28 September 2016. Administrative errors were identified within that model. At the Council meeting on 19 October, Council adopted the correct Rating Model and that is also attached to this media release. For full details on the administrative changes, please view the October meeting Agenda on Council's website.

If you have any general queries regarding your rates notice please contact the Customer Care Team on +6723 22244 or email customercare@nirc.gov.nf. Hard copies of forms can be collected from the Customer Care Team.
