## MEDIA RELEASE

### COUNCIL CHRISTMAS CLOSURE

A resolution was made at the October 2016 Ordinary Council Meeting that the Council Offices would close during the three days between Christmas and New Year each year, which is a quiet time for most of Council business.

The arrangements allow Council to have, as far as possible, a period of shutdown with a holiday break for many of its employees by having skeleton staff over the three working days of the Christmas/New Year period thus allowing essential services to remain open.

Facilities remaining open include Telecom, Customer Care, Waste Management Centre, Liquor Bond, Norfolk Island Museum, Norfolk Island Research Centre and the Library. Emergency contacts are: Telecom/Customer Care 22244; Executive Management 52123; Sewerage 50328; and Electricity 50230 or 50212.

Further information on Council opening hours during the Christmas/New Year period can be found in all December 2016 issued Government Gazettes on [www.norfolkisland.gov.nf](http://www.norfolkisland.gov.nf).
