

## MEDIA RELEASE

### **NEW SOUTH WALES (NSW) NORTHERN BEACHES CLUSTER**

Due to the recent cluster of cases of COVID-19 in the Northern Beaches LGA of Sydney, EMT has declared the Local Government Area a Hot Spot for the purposes of travel to Norfolk Island.

- People who have been in the NSW LGA since the 11<sup>th</sup> of December and are travelling to the island will need to be tested on arrival and undergo local self-isolation until released by NIHRACS.
- People who have been to locations and at the times listed in the NSW website [Latest COVID-19 news and updates | NSW Government](#) need to self-isolate and get tested or self-isolate and monitor themselves for symptoms as appropriate.

A full list of the suburbs comprising the Northern Beaches LGA is on the NIRC website <http://www.norfolkisland.gov.nf/norfolk-islands-covid-19-advice>

We will continue to monitor the NSW situation over the Christmas and New Year period and adjust our travel arrangements as necessary.
