

MEDIA RELEASE

Lifting of Auckland hotspot and resumption of Green Zone flights from New Zealand.

Following from the Commonwealth announcement that the declaration of the Auckland hotspot is to be lifted Green Zone flights from New Zealand to Australia can resume from 11:59 pm AEDT Thursday, March 11, 2021. EMT has also decided today to remove Auckland as a hot spot. This means that there will be no local restrictions apply to travellers from New Zealand to the island. Other jurisdictions may have restrictions in place and any travellers to the island need to check the requirements of any State or Territory that they may be travelling through.

Vaccination program.

Local planning and training associated with the roll-out of COVID-19 vaccines on the island have been completed. Currently we are awaiting advice on when the vaccines will arrive. NIHRACS will provide details to the community on the vaccination plan.

If you have any questions about travelling to the island and entry requirements please contact Senior Constable James McGregor, IMT Incident Controller at IO-Norfolk-Island@afp.gov.au or +6723 22222.
