ABSENTEE LANDOWNERS LEVY

The Norfolk Continued Laws Amendment dated 16 October sets out a number of changes to the *Absentee Landowners Levy Act 1976 (NI)*.

Absentee Landowners

The *Absentee Landowners Levy Act 1976 (NI)* remains in place, however there have been some modifications. The last levy date is set as 15 September 2016. This means that no levies will be raised this year, or any other year moving forward for absentee landowners under this Act. However, the Act still remains in place to allow the Council to collect outstanding amounts.

If you have an outstanding debt you are still liable to pay this amount. If you are having trouble paying your levy, please contact the Debt Recovery office on 24272 to discuss the option of a payment arrangement.
