PART 1 – INTRODUCTION

This policy is made under the *Local Government Act 1993*, including Sections 252 to 254. The Act requires that the Council must adopt a policy concerning the payment of expenses and the provision of facilities to the Mayor and other Councillors.

1.1 Purpose of Policy

The purpose of the policy is to ensure that there is accountability and transparency in the reimbursement of expenses incurred by councillors. The policy also ensures that the facilities provided to assist councillors to carry out their civic duties are reasonable.

1.2 Objectives and coverage of the Policy

The policy provisions are aimed at being non-discriminating and will be used in an equitable manner to enable the full participation of all Councillors.

The policy provisions are at a level to encourage members of the community to seek election to Council by ensuring that they would not be financially or otherwise disadvantaged in undertaking the civic duties of a Councillor.

The policy will ensure accountability and transparency in the reimbursement of expenses incurred or to be incurred by Councillors.

Council must give public notice of its intention to adopt or amend a policy for the payment of expenses or provision of facilities allowing at least 28 days for the making of public submissions.

2.3 No general expense allowance

In accordance with clause 403 of the *Local Government (General) Regulation 2005* the Councillors and expenses policy must not include provision for a general expense allowance. A general expense allowance is a sum of money paid by a Council to a Councillor to expend on an item or a service that is not required to be receipted and/or otherwise reconciled according to a set procedure.

Accordingly this policy does not include a general expense allowance.

2.4 Monetary limits for all expenses

To ensure an equitable and reasonable distribution of available resources the following limits will apply to the operation of this policy. For the year 2016/17 these limits will be as follows:

- Reimbursement of expenses associated with attendance at approved conferences will be at economy airfare.
- A limit of \$60.00 will apply for any one meal, or where more than one meal is involved a daily limit of \$125.00 will apply.
- Miscellaneous expenses will be limited to \$110.00 per day, with the Mayor and General Manager being able to authorise up to an additional \$50.00 per day.
- Accommodation costs will be limited to a maximum of \$350.00 per night in Capital City locations and \$200.00 per night in other locations.
- Childcare costs will be limited to a maximum of \$60.00 per day per child.
- A limit of \$50.00 per month will apply to the use of the mobile phone provided to the Mayor.
- A limit of \$40.00 per month will apply for costs associated with internet access for Councillors.

2.5 No private benefit unless payment made

Councillors should not obtain private benefit from the provision of equipment and facilities, nor from travel bonuses such as 'frequent flyer' schemes or any other such loyalty programs while on council business. However it is acknowledged that incidental use of council equipment and facilities may occur from time to time. Such incidental private use is not subject to a compensatory payment back to Council.

2.6 No use of council resources for political purposes

Council facilities, equipment and services are not to be used to produce election material or for any other political purposes.

2.7 Gifts and benefits to be of token value

In circumstances where it is appropriate for councillors to give a gift or benefit (for example, on a council business related trip or when receiving visitors), the gifts and benefits should be of token value. Token Gift or Benefit will be one where the value is taken to be less than \$50.00.

2.8 Participation, equity and access

The policy aims to be non-discriminatory, equitable and encourage participation on council of people from diverse backgrounds that represent the demographics of the local community. In this direction provision is made to provide assistance with childcare and the principle of the payment of carer arrangements for the care of the elderly, disabled and/or sick immediate family members of councillors, but this be limited to circumstances where the councillor is the primary care provider.

2.9 Approval and dispute resolution processes

Approval for discretionary trips and attendance at conferences will generally be approved by Council.

Where this is not possible approval may be granted by the Mayor and General Manager. Such approval will be reported to the next meeting of Council. If the Mayor requires approval to travel outside of Council meetings approval would be granted by the Deputy Mayor and General Manager.

If the two parties cannot reach agreement on any particular matter the matter will be reported to Council for determination.

2.10 Reimbursement and reconciliation of expenses processes

Claims for reimbursement of expenses are to be submitted on the Councillor Fees and Expenses form at the Ordinary Meeting of Council each month. All claims for reimbursement are to be supported by receipts. Statutory Declarations may be submitted where receipts have not been issued, or other arrangements made in consultation with the General Manager in exceptional circumstances.

2.11 Payment in advance process

Council will pay registration fees, accommodation deposits and airline tickets direct in advance.

A cash advance for 'out-of-pocket' expenses may be paid to an attendee upon request subject to reconciliation statement together with a refund of any unexpended amount being submitted within ten (10) days of the close of the conference, seminar or function. However, it is preferred to reimburse expenses on receipts rather than cash advances to save on administration cost.

The General Manager or delegate will accompany the Mayor or Delegate to nominated seminars/conferences and this Policy will apply in terms of section 2.4 "Monetary Limits" for the expenses related to the General Manager or delegate.

2.13 Training and Education

Council will make an annual allocation within the budget for training and educational expenses for Councillors. This allocation will be treated as a lump sum figure able to be accessed by all Councillors. There will not be a specific allocation per Councillor.

Where Council is paying these expenses the training and education must be directly related to the Councillor's civic functions and responsibilities. Approval of training must be authorised by Council or by determination of both the Mayor and General Manager.

2.14 Local travel arrangements and expenses

Council will meet the cost of Councillors using their private vehicles to attend Council meetings, Committee meetings and other authorised business. Reimbursement will be made to and from Councillors usual place of residence to the meeting venue.
